

My Legal Help

Few small or medium-sized businesses have the dedicated resources to prevent costly lawsuits and the loss of intellectual property. Our agency offers My Legal Help which provides you with an affordable and responsive means of avoiding employment law mistakes, safeguarding your business and protecting your assets.

Benefits law is complex, minor oversights can turn into major problems. My Legal Help offers consultations on all aspects of employee benefits, employment law and health reform compliance. Limit your risk and protect your assets.

Under this service, questions will be answered in all areas of health and welfare law. The common areas include: HIPAA, COBRA, Cafeteria Plans, Health Reimbursement Arrangements, Health Savings Accounts, Family and Medical Leave Act, Consumer Driven Health Care, Medicare, ERISA, Americans with Disability Act, General Health Trends, Taxation Issues, Wellness Benefits, Severance Pay Plans, Long-Term and Short-Term Disability Benefits, Group Term Insurance Benefits, VEBA's, Fringe Benefits and Health Reform.

"Getting answers within one business day to our employee benefit and health reform questions -- without huge legal fees -- is a boon to businesses like ours." Small business President and founder
