

# Benefit Portals

In recent years there have been a lot of changes in the health insurance industry. One positive change is the use of technology to better serve customers. The technology we offer is a logical step in the right direction. Ask yourself this question: if your current agent/broker isn't offering benefit portals, what does that say about their commitment to you?

## FEATURES

- Our technology stores all of your benefit data
- Access to your own customized benefit portal
- You have 24/7 secure web access
- View your summary of benefits, network options and review plan costs
- Store **any** forms, links or documents for immediate access by you or your employees
- Electronically upload employee data
- Create employee benefit statements
- Employees can view their benefits 24/7
- Online enrollment

## BENEFITS

- Become more efficient with information at your fingertips
- Optimize employee productivity and minimize exposure to costly lawsuits and audits with access to BASIC hr
- Reduce embarrassing errors through automation
- Reduce misunderstandings with a single point of communication
